

Nichol's Birthday Club

The Nichol's Birthday Club formed in 1953 for as a great way to meet community members and to help in community projects. We did find out that our meetings became a social gathering for fun as well. Won't you join us?

Nichols Community Center
First Tuesday of Every Month
5:00 p.m.

Our meetings may not be formal, but our goal is to just have fun. We begin our night enjoying all the great food that each of us bring. Followed, is a short business meeting to discuss our ideas and involvement for the next community project. We have been involved with selling baked goods at craft fairs, decorating floats for the parades, setting up booths to help fundraise for community projects, and making sure that people in our village are cared for and thought of.

After the short meeting, it is on to Bingo. We each bring a wrapped \$1.00 gift. The idea is to use these gifts as a Bingo prize. Without knowing whom the gifts are from, we number them and get into a great game of Bingo, in which we try to get as many gifts as possible. In the end, however, we each end up with one gift to take home.

Everyone is Invited!
